Hi All!

I have been asked many times by my fellow friends and fans of Cape Breton Fiddle to get the word out about my performances and events. Well, I now have the perfect way to get the word out!

The purpose of this newsletter is to provide you with information about my activities, events, and performances with Steeped in Tradition that you may be interested in learning more about.

My New Web Site!

Well, I finally have one... a web site!

In addition to this, and upcoming newsletters, I got a bunch of interesting things set up on my web site to keep you informed of things happening with me and 'Steeped in Tradition'.

On my web site you can check out photos of my appearances, check my performance schedules, see upcoming events, and a lot more!

Check out my web site at: www.SandyMacIntyre.com

I'm still new at this web site stuff, so it's still a work in progress for me.

Here is a sample of the things you can see there:

- My Biography
- My Calendar/Schedules
- My Recordings
- Upcoming Events and Workshops
- Lots of Photos
- My Favourite Road Stories
- A Guestbook for You to Sign
- Some Links
- Steeped In Tradition
- Lucy's Corner

Let me know what you think of it by signing the Guestbook or sending me an email.

If there is something you'd like me to add to it, let me know that too!
